Project Description

Welcome to campus explorer!!!! This project involves a study abroad platform that enables users to share, inspire, and help others with their study abroad planning. Going overseas is one of the biggest steps people take in life and the experience comes with a lot of ups and downs. To help mitigate the challenges people face when deciding to go abroad or during their time far away from home, this application acts as a network platform.

Hey there! would you be willing to share the closet? I have so much stuff.
If that works, I'd be happy to be a roommie!
